## LET US HELP YOU!

With Bre Ashley Photography we provide a full service experience to help take away any stress that can come with your senior year. We want you to enjoy your time & build memories before your senior begins their next journey in life!

We will help guide you in choosing the best image for your yearbook photo as well as take care of sending in your yearbook photo to your high school to make sure it meets all the photo & quality standards!

# FIVE REASONS TO GO PRO

Why should you have your makeup & hair professionally done?

## 1. CAMERA'S CAPTURE EVERYTHING

Regular everyday makeup is hard to see through all the filters high def cameras can throw at it. Our makeup artists use highly pigmented makeup so that the camera won't wash you out and will look natural yet beautiful for your senior portraits.

## 2. SWEAT HAPPENS

Our makeup artists waterproof and set your makeup so that your face will be flawless from beginning to end of your shoot. Sweat, humidity, water, and heat will be nothing to worry about!

## 3. PAMPERING

Seriously who doesn't love just getting to sit back and get pampered?!

## 4. THERE IS A DIFFERENCE

There is a big difference in "everyday makeup" and "camera ready makeup" The products that our artists use are specifically made for the camera ready look.

## 5. THEY KNOW WHAT THEY ARE DOING

Professional makeup artists aren't called professionals for nothing. They are well educated and have been trained by the industry's leading experts in the latest hairstyles and makeup.

## STYLE GUIDE

What you wear plays a big part in posing & the diversity of pictures you get! You want to wear different types of clothing to give you the most range of style & images!

The main staples I recommend!

### A DRESS

A dress, short or long is a great staple for girls! Long dresses tend to have more posing opportunities especially ones with slits in them or are very flowy! Short dresses are great to but have limited poses that can be done with them.

### BODY SUITE/TOP WITH JEANS/PANTS

SO many poses can be done in a cute top or body suit with jeans or long pants! Shorts are also a option as well just limit a few other poses you could otherwise do with jean or long pants.

Of course your style & what you like wearing everyday & for special occasions is a big part of deciding what to wear during your session! Make sure you wear what you would any day but kick it up a notch!! For example add DETAILS or go for that top you love but know you couldn't wear it in an everyday Situation!

### DETAILS

Add all the details! You would be surprised how much of a wow factor adding even small details can make to an image. Rings, Bracelets, necklaces, & of course HATS! No worries if you really hate hats on you, I personally get it & I won't make you wear one haha!! But if you just typically don't wear a hat but don't mind hats I highly recommend wearing a hat for a few shots here & there! I have LOTS of hats in my client closet that I bring along for you to select from if you want to wear one!

### **DO YOU CHARGE EXTRA TO SEND IN A PHOTO TO YEARBOOK?**

No, I am more than happy to send in your yearbook photo for you so you don't have to worry about it! Please be sure to send the information 2 weeks before the image submission is due.

### **DO YOU SET UP HAIR & MAKEUP?**

Yes, If Professional hair & makeup is added on or included in your senior experience I book & take care of it all! To add on professional hair & makeup \$140. I HIGHLY HIGHLY recommend getting your hair & makeup professionally done but it is completely your choice!

### **CAN I GET SOME PICTURES WITH MY FAMILY, SIBLINGS, PET, ETC...?**

Yes! Almost all of our senior packages come with the option to include family, siblings, friends, & or pets! If you want a few family pictures we can plan to have your family show up quick at any point during the shoot & grad a couple family shots! Have a pet? BRING THEM! We love capturing you & your furry friends!!

### **WHAT HAPPENS IF IT RAINS, IS REALLY WINDY OR JUST GROSS OUTSIDE?**

Of course we want good weather for your photos just as much as you do! If weather is not the best I will contact you the day before your shoot & the day OF your shoot to talk about rescheduling & finding a new day! I leave days on my calendar open for possible reschedule. Often we can reschedule to that same week!

### **WHEN DO YOUR SESSIONS TAKE PLACE?**

If you have a 3-4 hour session your session will start that amount of time prior to the sunset. If you have hair & makeup also included it will start 6 hours before sunset. You start off getting hair & makeup done which takes rough 90-120 minutes. You will then head to our first shoot location & we will go until the sun sets!

## A TANGIBLE TAKEAWAY

In the digital world we live in today it is important to still have something to hold close & feel. There is just something about being able to turn those pages & see your beautiful images printed in person! Almost every parent has told me they cried looking at the album even though they have already seen the images in digital.

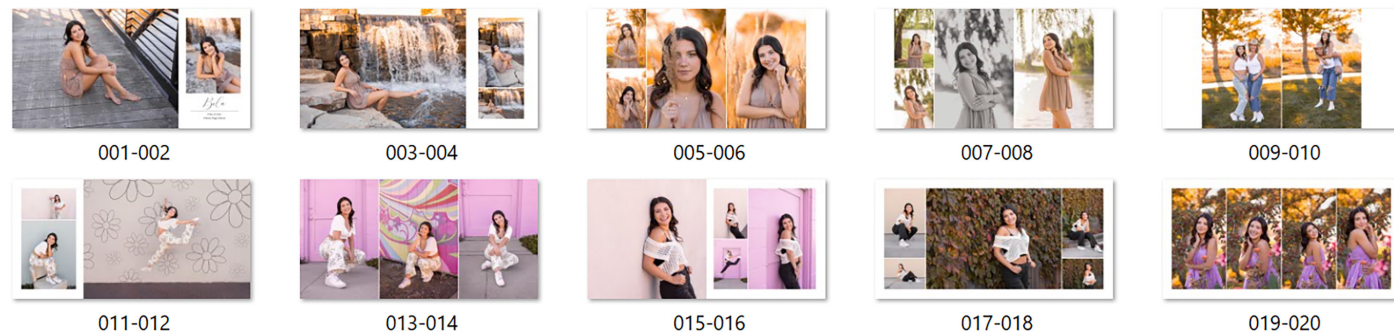

Our albums are one of our most popular products. Your images are printed on a thick mounted spread that allows images to be full panoramic. This is a beautiful and timeless heirloom to display in your home.

## GALLERY DELIVERY & ALBUM DESIGN

My clients love this part! If you choose to order an album, you will get to pick out your cover material, color & whether you want debossing on the front or a cameo cover! You will also select your favorite images you want featured in your album on your gallery! I will then get to custom design your album! You will receive a link to proof the album before it is printed!
