LET US HELP YOU!

With Bre Ashley Photography we offer a full service experience to help take away any stress that can come with your senior year. We want you to enjoy your time & build memories before your senior begins their next journey in life!

We can help guide you in choosing the best image for your yearbook photo as well as take care of sending in your yearbook photo to your highschool to make sure it meets all the photo & quality standards!

FIVE REASONS TO GO PRO

Why should you have your makeup & hair professionally done?

1. CAMERA’S CAPTURE EVERYTHING

Regular everyday makeup is hard to see through all the filters high def cameras can throw at it. Our makeup artists use highly pigmented makeup so that the camera wont wash you out and will look natural yet beautiful for your senior portraits.

2. SWEAT HAPPENS

Our makeup artists waterproof and set your makeup so that your face will be flawless from beginning to end of your shoot. Sweat, humidity, water, and heat will be nothing to worry about!

3. PAMPERING

Seriously who doesn’t love just getting to sit back and get pampered?!

4. THERE IS A DIFFERENCE

There is a big difference in “everyday makeup” and “camera ready makeup” The products that our artists use are specifically made for the camera ready look.

5. THEY KNOW WHAT THEY ARE DOING

Professional makeup artists aren't called professionals for nothing. They are well educated and have been trained by the industry’s leading experts in the latest hairstyles and makeup.

Yes! Almost all of our senior packages come with the option to include family, siblings, friends, & or pets! If you want a few family pictures we can plan to have your family show up quick at any point during the shoot & grad a couple family shots! Have a pet? BRING THEM! We love capturing you & your furry friends!!

WHAT HAPPENS IF IT RAINS OR IS WINDY & CRUMMY OUTSIDE?

Of course we want good weather for your photos just as much as you do! If weather is not the best I will contact you the day before your shoot & the day OF your shoot to talk about rescheduling & finding a new day! I leave days on my calendar open for possible reschedule. Often we can reschedule to that same week!

WHEN DO YOU SESSIONS TAKE PLACE?

If you have a 3-4 hour session your session will start that amount of time prior to the sunset. If you have hair & makeup also included it will start 6 hours before sunset.
