5 REASONS
TO GO PRO
PROFESSIONAL
HAIR & MAKEUP

THESE ARE THE MOMENTS YOU CAN'T GET BACK. THESE ARE THE MOMENTS YOU WANT TO REMEMBER.

Whatever your end goal, we're here to create artwork that will fit your vision and that you will instantly fall in love with. We take the time to really get to know your family and what's important to you. This is how we're able to create meaningful portraits that will bring tears to your eyes and joy to your heart each time you see them.

Remember that these portraits are not only for you, but for your children, too. You're giving them something to hold onto and that's a gift they'll appreciate for their entire lives.

WHEN YOU FIRST CONSIDERED HAVING A PROFESSIONAL CREATE PORTRAITS FOR YOUR SENIOR, WHERE DID YOU ENVISION SEEING THESE PORTRAITS?

Perhaps you've considered prominently displaying your favorite family portrait over the fireplace for everyone to admire and enjoy daily.

Maybe you have a hallway or narrow wall where a smaller collection of portraits would be more appropriate.

Or maybe your heart is already set on a beautifully designed heirloom album that tells the story of who your family is right at this moment.

HOW DOES IT WORK?

Fill out our senior ambassador application with a parent! Once we review the applications and we feel you will be a great fit we will send over more information regarding our ambassador program & ask to set up a consultation!

HOW DO YOU CHOOSE?

Of course we would love for everyone to be a senior ambassador! However, it takes a lot of work & we can only have so many before it becomes too much! There are a couple main factors that come into play. First being their hobbies, activities, & personality! We want to be able to create as many fun & unique photos as we can that represent your senior year!

Secondly we take into account your presence on social media. We want you to share your experience and photos as much as possible! And the next key factor is parents! We love parents! We encourage them to come to as many of the shoots! We want them to watch their daughter having fun & watch her confidence skyrocket over her senior year throughout all the photoshoot opportunities.

IS THERE A FEE TO BE A SENIOR AMBASSADOR?

Yes, there is a small fee of \$200 added to our normal session fees that covers the extra cost including professional hair and makeup for the April/May 2024 model shoot. After the additional \$200 you will just have your collection cost that focuses on their individual senior experience & final products!

*** Models must use Bre Ashley Photography for their senior portraits (Senior model portrait investment averages \$1200-\$3800).

A tangible take away

FIVE REASONS TO GO PRO

Why should you have your makeup & hair professionally done?

1. CAMERA'S CAPTURE EVERYTHING

Regular everyday makeup is hard to see through all the filters high def cameras can throw at it. Our makeup artists use highly pigmented makeup so that the camera won't wash you out and will look natural yet beautiful for your senior portraits.

2. SWEAT HAPPENS

Our makeup artists waterproof and set your makeup so that your face will be flawless from beginning to end of your shoot. Sweat, humidity, water, and heat will be nothing to worry about!

3. PAMPERING

Seriously who doesn't love just getting to sit back and get pampered?!

4. THERE IS A DIFFERENCE

There is a big difference in "everyday makeup" and "camera ready makeup" The products that our artists use are specifically made for the camera ready look.

5. THEY KNOW WHAT THEY ARE DOING

Professional makeup artists aren't called professionals for nothing. They are well educated and have been trained by the industry's leading experts in the latest hairstyles and makeup.
